

## 1st Wcup (Savate competition in Tokyo)

9th, Aug 2011

Executive Committee of W cup

**Date:** 31th, Jul 2011

**Place:** Adachi-ku Tokyo, Japan

**Number of fighters:** 19 (14 males and 5 females)

**Number of matches:** 12 (including 3 tournaments)

**Number of audience:** about 80

This was the first open savate competition in Japan. Therefore it was also the first experience of savate match for many fighters. However, thanks for their good training, there were some notable matches. Especially Hashimoto (attending world savate championship in 2008 and 2010) VS Shin (ex-champion of professional kickboxing in 2006) was just great match! And some audience looked to be attracted by savate, I believe we will be able to see more fighters and 2nd W cup (maybe in 2012) should be more attractive and exciting!!
